The MHA has entrusted NCRB with a renewed mandate for the Crime and Criminal Tracking Network & Systems (CCTNS) Project.

In its endeavor of Public Service Delivery the Bureau has released its Motor Vehicle Coordination e-service, named “**Vahan Samanvay**”. This is an excellent citizen centric interface for verification of the status of a motor vehicle (stolen or not) before negotiating for a pre-owned vehicle or recovery status of a stolen vehicle. This also facilitates law enforcement agencies and RTOs while checking the credentials of any vehicle.

Q.3) Panglong Agreement is concerned with which of the following countries?

- a) North Korea and South Korea
- b) Burma (now Myanmar)
- c) Vietnam
- d) Cambodia

Q.3) Solution (b)

The Panglong Agreement was reached in Panglong, Southern Shan State, between the Burmese government under Aung San and the Shan, Kachin, and Chin peoples on 12 February 1947.

The agreement accepted "Full autonomy in internal administration for the Frontier Areas" in principle and envisioned the creation of a Kachin State by the Constituent Assembly. It continued the financial relations established between the Shan states and the Burmese federal government, and envisioned similar arrangements for the Kachin Hills and the Chin Hills.
