### Q.4) Solution (d)

International Court of Justice (ICJ)

Based in The Hague in Netherlands, this 15-judge court was established in 1945 by the United Nations Charter. The statute of the ICJ regulates the functioning of the Court. All members of the UN are automatic parties to the statute, but this does not automatically give ICJ jurisdiction over disputes involving them. The ICJ gets jurisdiction only on the basis of consent of both parties.
