**Q.2) The Programme for International Student Assessment (PISA) is a triennial international survey which aims to evaluate education systems worldwide by testing the skills and knowledge of 15-year-old students. It is conducted by**

- a) United Nations Organization for Education, Science and Culture
- b) World Economic Forum
- c) Etudes Sans Frontières International
- d) Organisation for Economic Co-operation and Development

**Q.2) Solution (d)**

**PISA**

- The Programme for International Student Assessment (PISA) is a worldwide study by the Organisation for Economic Co-operation and Development (OECD) in member and non-member nations intended to evaluate educational systems by measuring 15-year-old school pupils' scholastic performance on mathematics, science, and reading.
- It was first performed in 2000 and then repeated every three years.
- Its aim is to provide comparable data with a view to enabling countries to improve their education policies and outcomes. It measures problem solving and cognition in daily life.

### Q.5) Consider the following statements with respect to 'Heart Attack Rewind'

1. It is launched by World Health Organisation (WHO)
2. It promotes the elimination of industrially produced trans-fat in the food supply.

Select the correct statements

- a) 1 Only

December 4, 2018

- b) 2 Only
- c) Both 1 and 2
- d) Neither 1 nor 2

### Q.5) Solution (b)

Recently, the Food Safety and Standards Authority of India (FSSAI) launched a mass media campaign urging the elimination of industrially produced trans-fat in the food supply. The campaign titled 'Heart Attack Rewind' supports FSSAI's global target of eliminating trans-fat in India by 2022, a year ahead of the global target by the World Health Organisation.
