IASbaba's Mains Answer Writing Programme

FEEDBACK FORM

Hello everyone,

We have come to the end of IASbaba's TLP Mains Answer Writing Programme. We at IASbaba worked very hard to give our 100% in order to improve your answer writing skills. We hope that we had made a small difference (which might help you guys in scoring good marks) in your mains answer writing skills.

We always strive to improve our standards to give the aspirants the best quality. For this we would like to take a comprehensive feedback. Answer the below questions with genuine opinions.

As this is the first time we have conducted an offline test series for mains answer writing in Delhi (based on the countless requests we have got). We are really looking forward for your genuine feedback. We are open to take your suggestions and we will implement the good and feasible suggestions.

Are you satisfied with the synopsis? Any suggestions regarding it?

Just a suggestion a handwritten longwise synopsis would be better although the present one is sufficient.

Did you receive timely comprehensive evaluation? Are you satisfied with the kind of evaluation?

Evaluation is one of the fundamentals of TLP, Comments / feedback really make strong points for the candidate.

Are you satisfied with the doubt clarification, guidance given and accessibility of IASbaba's team to you?

Thanks a lot team, your dedication, Quality of Questions, Pursuit of excellence in making synopsis reachout with students is commendable.

Would you prefer offline mentorship programme, where mentor will guide you through out the programme?

No time between Prelims & Mains. ! So better to have an adhoc approach.

Would you suggest your friends to join this test series? If yes/no, what factors led you to say it?

Yes

TLP 60day (S Questions) + weekend (20 Que)

Poonam mam's Expert Advice (Thoughtful)

Superb Current Affairs & Static Linkey.

Round the clock availability of faculty (Telegram)

Jo shortage of time couldn't attend all of for lectures

Whether we get selected or not is immaterial but the TLP process is very satisfying
