Smartness is to integrate your preparation in a common string of theme-based understanding of concepts. ILP has been designed minutely to meet this need. You will prepare for concepts in entirety keeping in mind the needs and orientation required for each stage of the examination.

ILP Programme

Duration:

Oct 2020 - March 2022

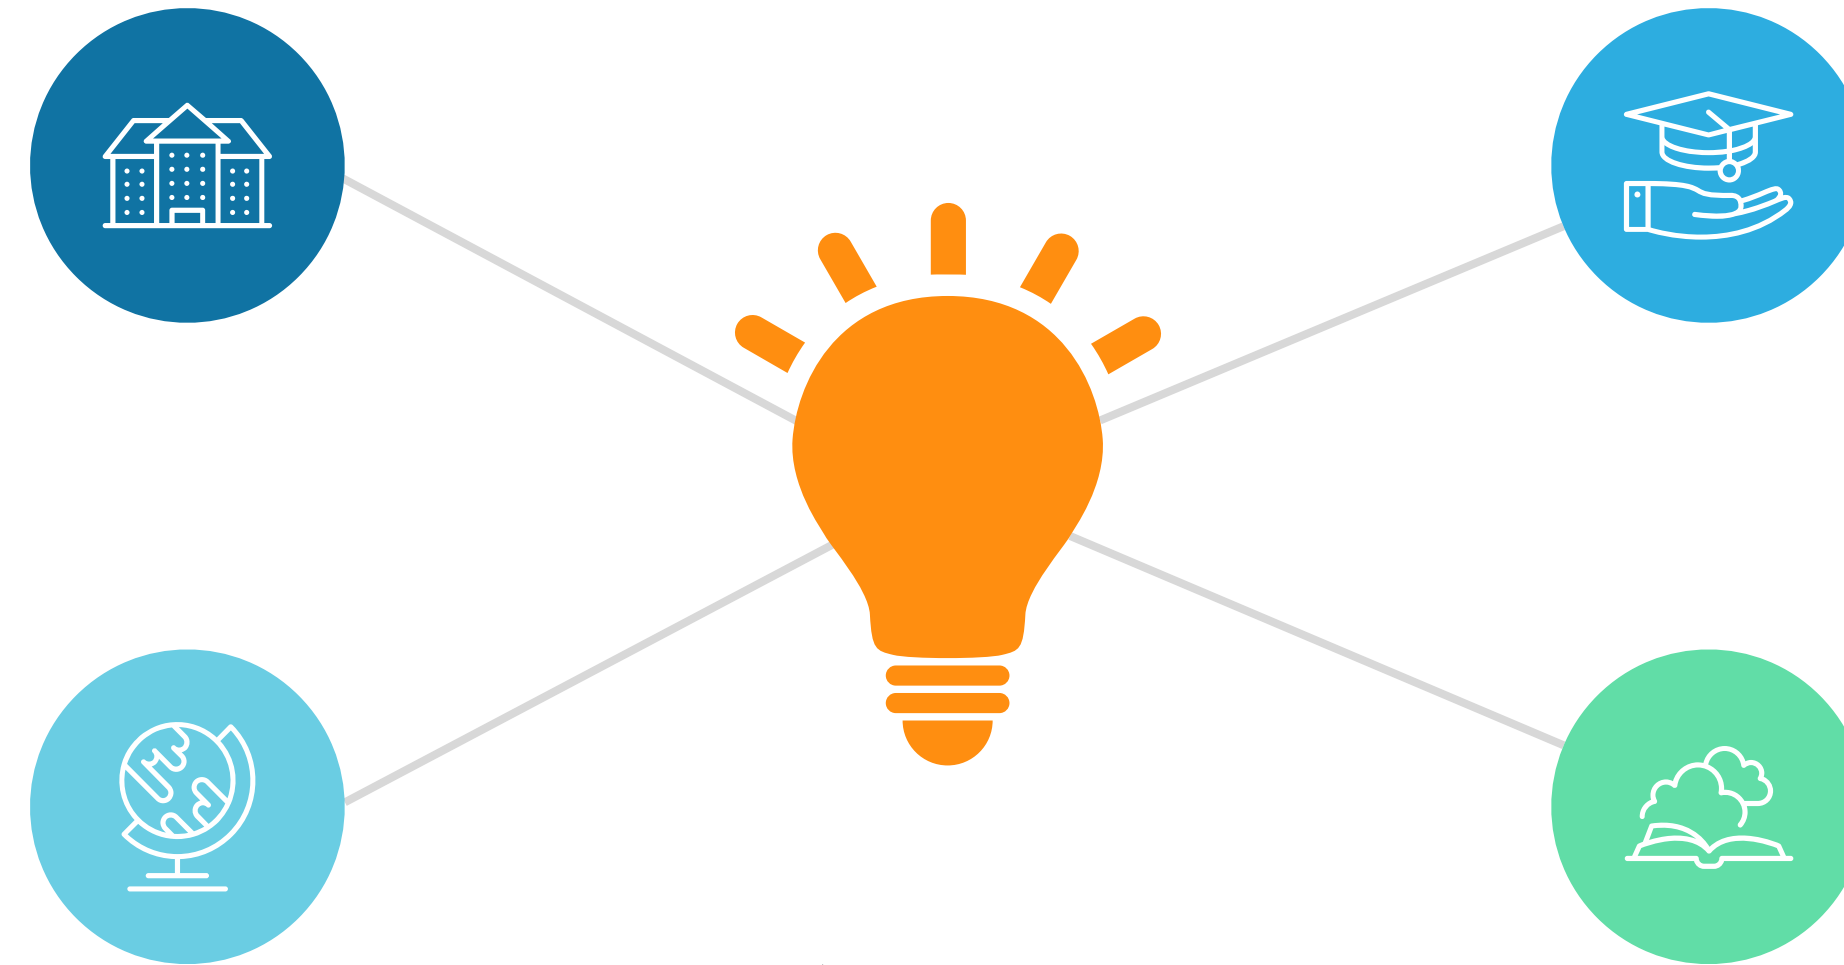

(18 Months)

(Comprehensive Prelims, Mains and Interview Preparation)

It is a detailed plan covering Prelims and Mains syllabus which will take care of your overall preparation in the form of weekly targets, sources to refer and introspective tests.

The sources to be referred have been kept to the minimum which will be aided by Value Add Notes (VAN). It has been done to prevent a candidate from wasting their precious time in going through the repetitive and irrelevant sources available in the market.

This is the heart and soul of ILP that needs to be followed with utmost sincerity.

Due consideration has been given for Revision that will help to consolidate what you have learnt in a week's time. Since the process is long and intensive, lack of revision can be fatal. Therefore, we have given adequate room for revision and consolidation.
