Today I write with utmost gratitude to IASBABA for being a constant support in my UPSC journey. Since I was an ILP student, I studied the mains general studies modules from ILP and wrote Mains mocks at regular intervals on the IASBABA ILP portal. Although the most important part of my own mains preparation was TLP initiative. I used to religiously and diligently practice every day writing 5 questions on the website. If there's one initiative I truly followed despite even on days when I didn't feel like studying, it was definitely TLP. The questions are thoughtful and completely in sync with the dynamic trends covering the syllabus in a timely manner.

Hello everyone. I am Divyanshu Choudhary and I have secured AIR 30 in UPSC CSE 2020 which was my second attempt. I am very grateful to Mohan Sir and entire IAS Baba team for providing me the required support in prelims, mains and interview preparation.

The All India open mock tests for Prelims were an actual simulation of the real prelims paper. The Mains answer writing program proved to be really helpful in enriching my content for Mains. And the one on one interview sessions with Mohan Sir have been so insightful because of which I did well in my interview also.

Lastly, my sincere thanks and gratitude again to the entire IAS Baba team. Keep serving the aspirants as you have always done!!!!

Respected sir
I am writing this mail to convey my thankfulness to Mohan Sir and the entire IAS BABA team for providing all the valuable guidance and support throughout my CSE preparation. The IAS BABA TLP Answer Writing program helped me improve the structure as well as the content of my answers. It also helped me inculcate discipline regarding daily answer writing. I would highly recommend students to use TLP platform to excel in Mains examination

I had also enrolled in IAS BABA's Interview Guidance Program as well. The one on one session with Mohan sir played a key role in Interview Preparation. Mohan sir not only improved the approach of my answer speaking technique but also helped me how to present myself better in front of the board. Mohan sir was always ready to clear my doubts and queries. He played a very instrumental role in my preparation.

Once again I thank Mohan Sir and IAS BABA for their support

IAS Baba's celebrated 60 Days Program for Prelims inspired me to take up the Full Length Test series for Mains as well. The feedback from my mentors was so focused and precise that I never felt the handicap of not interacting with them physically. Mohan sir's DAF questionnaire also played a vital role in delving deep into my DAF, which helped me prepare for many questions that were asked in my actual personal personality test. I would sincerely recommend following the daily quizzes and enrolling in the TLP + program to every serious aspirant.

Today I would like to extend my thanks to IASbaba for being the primary support throughout the journey. As I was preparing at my college, time management and planning were two pillars of utmost importance to me. ILP helped me a lot in both these areas. VAN, prelim tests all streamlined my preparation, removing any lingering fear. I also used to do regular answer writing on the TLP platform. It formed the very foundation of my mains answer writing. IASbaba has been almost like a companion in my entire journey, and for this I am grateful to it.

Thanking you,

Aniket Sachan
