Saumya Pandey
AIR 4 (2016)

“Enrolling in ILP was the best decision for me. I give full credit to IASbaba for my success. Their effort matches their vision of enabling aspirants sitting at the remotest part of the country to secure a single-digit rank in UPSC and my result stands true to it. I cannot thank IASbaba enough. ILP tests, Value Add Notes, and especially the plan helped me a lot in quality preparation. While appearing for the UPSC exam, I felt like repeating the Mock Tests of IASbaba and thought if UPSC has copied IASbaba Listening about IASbaba’s role in the success from Top 20 of this year Toppers was something very emotional. I am so blessed to have got IASbaba in my life!”

Neha Jain
AIR 14 (2017)

“I will be very honest that ILP really helped me a lot. Right from Babapedia, to the notes on various topics which were filled with diagrams and stories making them so much easier to learn to the regular prelims and Mains tests, it was all very succinct yet comprehensive. I recommend that every serious aspirant must at least go through them (ILP) and evaluate for themselves.”

Kritika Goyal
AIR 14 (2022)

IASbaba has been an integral part of my journey . The ILP Programme was of great help in prelims . The TLP Programme ensured that i improved upon my marks in mains . I wish IASbaba all the very best in its endeavours .

Gunjan Singh
AIR 16 (2019)

“I was associated with ILP in my initial preparation days and the in-depth coverage of topics, mains answer writing methods helped in building a strong foundation. The best thing about ILP is its detailed planning, daily targets which became my daily routine later on. Other important part of ILP, I need to highlight is their VAN’s & quality of Test Series. The mind-maps & infographics used in VAN’s makes it easier to remember.”

"I scored AIR 19 in UPSC CSE 2019. This was my second attempt overall and my first appearance in Mains and Personality Test. I was a member of your ILP Programme and I believe that it's a great initiative. Your website contains seriously good stuff and even the free resources like the Daily current affairs are amazing. Keep up the good work Babaji!"

Shrestha Anupam
AIR 19 (2019)

"I have been a student of ILP and I would like to tell you how it has helped me in my preparation. Components of ILP which are value-added notes, babapedia, and ILP test series are very helpful. ILP is well planned and logically structured and the quality of the test series is very good. ILP has created a very nice platform for all the aspirants who want to go for self-study."

Tapasya Parihar
AIR 23 (2019)

"I was a part of IAS Baba's ILP program. When I started my preparation of GS on my own it got a little overwhelming. That's when ILP's weekly plan helped me organize my preparation. I would like to take this moment to particularly thank the Babapedia initiative which was my main go to source for current affairs."
