What is **Baba's Gurukul Foundation 2026?**

At the heart of the Gurukul Foundation Program lies the timeless essence of the Guru-Shishya Parampara—a tradition built on trust, discipline, and transformative personal guidance. Gurukul revives this ethos in a modern format, offering UPSC aspirants a nurturing environment rooted in individual attention, holistic learning, and values-based mentorship throughout every stage of the Civil Services journey.

Success in the IAS exam isn't about extraordinary intelligence—it's about consistent effort, and that's where Gurukul truly differentiates itself. With daily accountability, 1:1 personalised mentorship, a 360° performance tracker, and monthly progress reports, students are continuously guided and kept on track.

True to its tagline, "One Stop Destination for UPSC/IAS Preparation," Gurukul simplifies the preparation journey—providing structured classes, high-quality curated notes (like VANS and Babapedia), and comprehensive testing. There's no need to juggle multiple sources for GS or current affairs. More than just a coaching program, Gurukul builds the right mindset, discipline, and clarity essential to not only crack the exam—but to become a future civil servant ready to serve the nation with integrity.
