Neha Banerjee

It still feels surreal to say that I have secured AIR 20 in UPSC 2019. I was a working professional during my preparation and thus online content (videos, articles etc) was an integral part of my journey. IAS Baba's free initiatives were also a prominent source among them. 60 day prelims program, the daily current affairs (especially followed the Mains focus section), and the TLP answer writing program.

Hello All, This was my 2nd attempt and I am thankful to IAS Baba team, whose content helped me in various stages of exam preparation. I am especially thankful to Mohan Sir, whose guidance proved immensely helpful for interview Preparation! Over my 2 attempts, I have been associated with different Baba Initiatives like Rapid Revision Series, Prelims Test Series and 60 Day Plan among others.

Saumya Pandey

Enrolling to IP was the best decision for me. I give full credit to IASbaba for my success. Their effort matches their vision of enabling aspirant sitting at remotest part of the country to secure single digit rank in UPSC and my result stands true to it. I cannot thank IASbaba enough. IP tests, value Add notes and especially the plan helped me a lot in quality preparation. While appearing for UPSC exam, I felt like repeating the Mock Tests of IASbaba and thought if UPSC has copied IASbaba.

Divyanshu Choudhary

I am Divyanshu Choudhary and I have secured AIR 30 in UPSC CSE 2020 which was my second attempt. I am very grateful to Mohan Sir and entire IAS Baba team for providing me the required support in prelims, mains and interview preparation. The AI India open mock tests for Prelims were an actual simulation of the real prelims paper. The Mains answer writing program proved to be really helpful in enriching my content for Mains. And the one on one interview sessions with Mohan Sir have been so insightful because of which I did well in my interview also. Keep serving the aspirants as you have always done!!
