Your IAS Dream Is Still Alive

About Course

About ILP (Integrated Learning Program)

"Life may have given you responsibilities, but it hasn't taken away your IAS dream."

And the **Integrated Learning Program (ILP)** by IASBABA is designed to help you pursue that dream with a **structured online self-study program** designed for aspirants preparing remotely—whether students, working professionals, or homemakers.

It offers a **disciplined and guided self-study framework** that bridges the gap between independent preparation and mentorship while ensuring clarity, consistency, and complete syllabus coverage.

4-Phase Preparation Strategy

01

Aadharshila

Build strong fundamentals

02

Quila Bandhi

Focus on Mains-oriented preparation

03

Setu Bhandhan

Transition from Mains to Prelims

04

UpaSamhara

Intensive Prelims revision & practice

Vision

To democratize UPSC preparation by providing structured, high-quality, and accessible guidance to aspirants across the country—enabling them to prepare effectively regardless of their location, background, or schedule.

Mission

To provide a structured, phase-wise UPSC preparation plan with **365-day targets and micro-schedules**

To ensure comprehensive learning through **subject-wise strategy, GS & CSAT classes, and curated study materials**

To integrate Prelims and Mains with **daily and module-based tests for continuous revision**

To enable progress through **performance analysis, mentorship, and consistent guidance**

To support aspirants in balancing preparation with other commitments while building **clarity, discipline, and exam-oriented thinking**.

Four Pillars Of ILP

PHASE 01 AADHARSHILA

Foundation Phase

The Aadharshila phase focuses on building a strong and reliable foundation across core UPSC subjects from both Prelims and Mains perspective, ensuring conceptual clarity and a structured start to your preparation.

01

Core Subject Coverage

Comprehensive coverage of key subjects including Polity, Geography, History, Economy, Environment, and Science & Technology.

02

NCERTs, PYQs & Standard Sources

Preparation begins with basic NCERTs, supported by Previous Year Questions (PYQs) and relevant standard textbooks to ensure both clarity and exam relevance.

03

Regular Revision & Practice

Continuous revision sessions and practice exercises are integrated to strengthen retention and reinforce learning.

04

Group Mentorship Support

Dedicated group mentorship sessions after each module to provide guidance, resolve doubts, and keep your preparation on track.

PHASE 02 **QUILA BANDHI**

Advanced Mains-Oriented Preparation

The Quila Bhandi phase is designed to strengthen your preparation for Mains, focusing on answer writing, analytical depth, and value addition to help you stand out.

01

Advanced Conceptual Coverage

In-depth coverage of Mains-specific areas including Society, Social Justice, Governance, International Relations, Internal Security, Post-independence India, and World History, with a focus on analysis, interlinkages, and application.

02

Intensive Answer Writing Practice

Regular answer writing sessions to develop structure, articulation, and presentation skills essential for high scores in Mains.

03

Analytical Thinking & Value Addition

Emphasis on multi-dimensional thinking, incorporating case studies, examples, current affairs, and diagrams to enrich answers.

04

Essay & Ethics Preparation

Dedicated coverage of Essay and Ethics (GS Paper IV) to build clarity, coherence, and ethical reasoning.

05

Continuous Practice & Feedback

Module-wise tests with detailed feedback to ensure consistent improvement and exam readiness.

PHASE 03 SETU BANDHAN

Bridge Between Mains & Prelims

This phase focuses on 75% revision of Aadharshila (foundation subjects) and 25% coverage of Quila Bandi (advanced mains subjects), ensuring a balanced transition from conceptual learning to exam-oriented application.

01

Integrated Revision of Core Subjects

Comprehensive revision of previously covered subjects to reinforce concepts and improve retention.

02

Shift from Descriptive to Objective Approach

Focused transition from answer writing to MCQ-based preparation, aligning your knowledge with Prelims requirements.

03

Strengthening Concept Application

Emphasis on applying concepts through MCQs, elimination techniques, and conceptual clarity to improve accuracy.

04

Practice Through Mixed Tests

Regular practice with mixed subject tests and sectional quizzes to build exam temperament and adaptability.

05

Performance Analysis & Improvement

Detailed analysis of test performance to identify strengths, weaknesses, and areas of improvement.

PHASE 04 UPASAMHARA

Prelims-Focused Mastery

The Up Samhara phase is dedicated to intensive and rigorous Prelims revision, ensuring maximum retention, accuracy, and exam readiness.

01

Complete Syllabus Revision

Focused and repeated revision of all subjects to strengthen recall and conceptual clarity.

02

Full-Length Test Practice

Regular Prelims tests to build exam temperament, time management, and confidence.

03

Accuracy & Elimination Techniques

Targeted practice to improve accuracy, speed, and smart question-solving approaches.

04

Performance Analysis & Fine-Tuning

Continuous evaluation to identify gaps and ensure last-mile improvement.

How ILP Works?

Our **Mentorship** is designed to bring structure, discipline, and motivation to your UPSC preparation – every single day.

01

Strategy Videos at The Start of Every Subject

Each Subject begins with a comprehensive Strategy Video. These videos help you understand the syllabus breakdown, approach, and study techniques for the upcoming modules.

02

Daily Targets

A structured timetable with daily micro targets provides a clear set of topic-wise study goals and tasks to be completed by the end of the day.

03

NCERT, Standard Textbooks and Value

Comprehensive study materials help in covering the daily targets.

04

Recorded Classes (GS+CSAT)

Daily targets are complemented with recorded lectures that explain the topics in-depth.

05

Practice Tests

We conduct daily tests of Prelims and Mains through our online platform, helping students stay consistent with their preparation.

06

Post-Test Discussion and Live Group Mentorship Sessions at The End of The Module Tests

- Post Module Live Mentorship & Doubt Clearing Sessions. Mentors conduct a live interactive session where:
 - PYQs (Prelims & Mains) are discussed related to the topics of the module.
 - Students can ask questions in real-time

07

One-on-One Mentorship (Post-Module)

- **Scheduled One-on-One Sessions:** After completing every module, students who need deeper guidance can **book a dedicated mentorship** slot with their assigned mentor through our platform.
- **Mains Evaluation & Mentorship:** After every module, your module-wise Mains test will be evaluated in detail.
- **Customised Feedback & Planning:** During these sessions, mentors **review your test performance**, answer writing quality, and progress to **identify specific strengths and weaknesses**.
